

ADECO® ORANGE FLASH

Product Description:

ADECO® ORANGE FLASH is a special cleaner for washing of windscreens of motor vehicles, prepared for summer application. Enriched by a mild refreshing scent.

Purpose:

ADECO® ORANGE FLASH enables efficient removal of insects, oils, soots, silicones and the other impurities. Does not damage color, metal and rubber parts of the vehicle, and provides high transparency and brilliance of glass. Pour without dilution directly into the windshield washer container.
